Board Changes Venue

At the Board meeting on February 8th at Paradise Cafe, the board of the Port Orford/North Curry County Chamber of Commerce decided to move their monthly meetings from Member restaurants to the City Council Chambers. This move was made for two reasons: 1. To allow Member restaurants to

free up space during the busy lunch time while also allowing them to rotate catering for the meeting; and 2. To introduce quarterly Membership Meetings that will feature speakers solely for the Membership and allow Chamber Business to be carried out at Monthly Meetings.

Other News:

The Board recently switched to a new agenda. This agenda type has opened up more time to discuss how the Chamber can better serve it's members.

Fundraisers are being planned that will help to continue important programs such as the Senior Scholarship and the Community Picnic. Your Chamber needs your help to make sure these fundraisers are a success! Watch upcoming newsletters and emails for more information on what you can do to contribute.
